

Second Quarter 2011 Specials

Featuring

Pala Denture Teeth —
Premium, Mondial®
and Artic®

Premium & Mondial® Teeth

A new standard in abrasion resistance.

Sets the standard for natural esthetics with the most lifelike natural anatomy and morphology. With innovative NanoPearl® technology, Mondial® and Premium enhance both the esthetics and functionality of dental prostheses.

CAD/CAM technology increases the efficiency of your denture setup.

Artic® Teeth

A revolution in beauty and performance.

Never before has an economy tooth displayed the natural color and translucence of Artic®. Artic is made using a patented injection compression manufacturing process (INCOMP) that produces a dense, hard material where voids are nonexistent. The result is extremely clean cuts and superior finish.
